## Safeguarding Children In Sport

### Aims

This online course is for people working in the Sport / Leisure Industry and aims to identify how to recognise child abuse and what action to take. It will also teach knowledge and recognition of signs and indicators of abuse; how to refer; the roles and functions of agencies; who does what in protecting children; good practice in working with parents.

### Course Contents

### Learning outcomes

By the end of the learning process participants will be able to:

- What is child abuse
- Identifying Abuse
- Recognising signs, symptoms and indicators
- Identifying behavioural changes
- Legislation and guidance
- What to do and where to get help if you suspect abuse
- What happens when there is disclosure
- Sounding the Alarm
